Mark Bartelstein

CEO, founder, Priority Sports & Entertainment

Bartelstein started in the business more than 20 years ago, in his early 20s, representing former Buffalo Bills quarterback Joe Ferguson. Since then he has built his Chicago-based company into a major force in representing NFL and NBA players. In the NBA, Bartelstein and partners Reggie Brown, Aaron Mintz and Brad Ames represent about 35 players. The firm, which has had strong drafts recently, also represents about 30 pro basketball players overseas.
